8. When a birth or death has occurred during a journey,

or when the person giving notice of a birth or death was compelled by duty, or urgent necessity, or unavoidable accident, to leave the local area in which such birth or death occurred so soon after its occurrence that he was unable to give the prescribed notice to the Registrar for that local area,

any Registrar may receive notice of such birth or death, and register the same as if it were a birth or death which had occurred within the local area for which he has been appointed.

9. The provisions of rule 4, as to the time within which notice of a birth or death must be given, shall apply to every notice of a birth or death given under the circumstances described in the last foregoing rule.

In the case of the person of European descent, the initial letter will be the first letter of the surname; and in the case of any other person, the first letter of his name, and not that of his rank, title, or class.

17. A Registrar may, of his own motion, correct, in manner prescribed in section 38 of the Act, any error in form affecting an entry of a birth or death in a register of births or register of deaths kept by him under the Act.

In every case in which an entry is corrected under this rule, intimation thereof shall (if practicable) be communicated, within one week from the date of the correction being made, to the person who gave the notice of the birth or death.

18. When an error in substance in any entry of a birth or death in a register of births or register of deaths is ascertained to have been made, the Registrar may correct the error, in manner prescribed in section 34 of the Act, on application made in writing, and signed in the presence of two witnesses attesting the signature, by any person authorised under section 20 or 21, as the case may be, to give notice of the birth or death in which the entry relates:

Provided that the Registrar is satisfied that the application is well founded and that he places on record a memorandum of the evidence on which his opinion is based.

An appeal against an order of a Registrar under this rule refusing to correct an ascertained error in an entry in a register shall lie to the Registrar-General, who may, in his discretion, either confirm the order of the Registrar, or direct him to correct the error.

Ankaru and ginu wholesale depot licenses will be bargained for all districts. Particulars regarding these will be found in clause XVI below. A separate notification will be issued regarding fixed fee foreign liquor taverns.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 25 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kaveri district the officers conducting the sale may, where he finds it necessary, require a deposit of Rs. 15 only from bidders for small shops. In the South Canara district, the selling officers may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2.

IV. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upper prices will be fixed at the discretion of the Collector. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

II-509-4

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the <sup>Abolition of Slavery</sup> Act, as to render him undesirable as a holder of a license or on the ground that he is unbalanced or in financial arrangements to the detriment of the most interest or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative, after ascertaining his resources for payment. Village officers will not be allowed to bid for, or to have any direct interest in shops for the sale of merchandise.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless refused by the Board of Revenue for special reasons, and will be necessary except the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken or the shop re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or at any time within the close of the day's sale, make a further deposit \* of half a month's gross (in addition to the deposit made under clause III) for each shop to which the limited deposit applies or towards the monthly rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop.

X. Persons to whom shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit \* each further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take all business on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the limited deposit exceed the sum required to be deposited under the clause, the excess will be refunded unless the purchaser is required to deposit twice that sum under clause XI below.

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required to deposit twice the sum prescribed in clause X above, or to get a security or security to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 24, schedule I, Act II of 1899) and registered in the register of the purchase if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the regulation under clause XI above or to execute engagements and take all business as aforesaid, the deposits already made may be forfeited and the shop re-sold, under the orders of the Divisional Officer on the date fixed by the Collector or otherwise disposed of by the latter officer.

XIII. Re-lease effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the defaulter in a summary manner as if it were an amount of local revenue. Should, however, the forfeited deposits be greater than the loss he re-sale, the whole of such deposits will be refunded to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such deposit results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Collector find license as aforesaid, it may be applied towards the last installment of the hire payable by the letter.

**SALT, ARKARI AND CUSTOMS DEPARTMENT.**

**NOTIFICATION.**

No. 8, *Adm* 601 February 1912.

**NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENSES.**

The following sealed notification is issued in pursuance of Notification No. 4, dated 26th February 1911, published in the Supplement to the Fort St. George Gazette, Part II, dated 7th February 1911, as amended by Notification No. 7, dated 21st March 1911.

In pursuance of the power conferred on him under section 4 (p) of the Madras Abkisi Act (I of 1895), the Commissioner of Salt, Akkari and Revenue hereby prescribes, under section 54 of the Act, the following rules for regulating the issue of licenses on fixed fees for the sale and compounding of potable foreign liquors from and after the 1st April 1912 within the limits of the Madras Presidency—

1. The term "foreign liquor" in these rules includes all wines, spirits and beer imported into the Presidency by sea or land, plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid; all spirits manufactured or compounded in the country and made in whole or in part of molasses, gin, brandy, whiskey or rum (or spirits made in Malabar from coconut toddy, called "Makhar arakk") and exempted at the tariff rates of import duty; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duty exempted, but excludes methylated and denatured spirits and ordinary arrack. In the case of liquors in Chittels, Druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term "foreign liquor" means pure rectified spirits imported from foreign countries by sea or manufactured in this country and exempted at the tariff rate of duty.

*Note*—The minimum strength to which imported and locally made foreign spirits are to sell as 40° U.P. for gin and 50° U.P. for all other kinds of spirits including Indian arrack, except denatured spirits and Makhar, which are 60° U.P.

"Native" beer is beer brewed in India (a) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or cane sugar is employed (b) which is brewed at a higher original gravity than 1,200° on a standard saccharometer and (c) the maximum price of which at the brewery is Rs. 44-8-0 per hogshead including the excise duty of three annas per gallon.

2. Licenses for the sale of foreign liquors shall be of the following descriptions—

A. *Wholesale license for the sale of foreign liquor not to be done on the premises*—There will be issued on an annual fee of Rs. 250 to the discretion of Collectors. Under these licenses the sale of liquor in quantities less than two imperial gallons or a dozen sealed quart bottles or two dozen sealed pint bottles of each kind at a time is prohibited. The holders of this license will have the privilege of having to licensed dealers only samples of liquor in quantities not exceeding one pint.

B. *Retail license for the sale of foreign liquor not to be done on the premises in any town*—There will be of two kinds—one for the sale of all kinds of foreign liquors, except "pure" beer and the other for the sale of beer brewed in India.

(a) The license will be issued at the discretion of the Town and Collectors on payment of an annual fee of Rs. 250 in the town of Madras and in Ootacamund, Coonoor and Wellington, Rs. 300 in towns having a population of 50,000 and over and in Kanchi, Karaikal,

\* *Note*—In those towns where there are beer shops, holders of retail licenses for the sale of all kinds of foreign liquor except "pure" beer will be permitted to sell beer brewed in India on English principles only in bottles or bottles in the quantity at which it was brewed.

Tenness, Katagiri and Ochoa, and Rs. 50 in the rest of the Presidency. Under these licenses the sale of liquor in a quantity less than one reported quart and greater than two imperial gallons is not prohibited. In Madras the right of selling Coleman, Ochoa or Balaiah brandy for medicinal purposes in bottles or quinquina containing one reported quart will be restricted to those licensees who have taken out a special license for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail license-holder will be allowed to sell any kind of foreign liquor except Coleman, Ochoa or Balaiah brandy and "native" beer.

(E) Retail license for the sale of beer brewed in India will be issued to medicinal licensees for beer shops on payment of an annual fee of Rs. 50.

(F) *Special license for the supply of liquors in hotels and boarding-houses.*—There will be of two classes at annual fees of Rs. 100 in Rs. 75 in Madras, of Rs. 100 or Rs. 50 in the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licenses otherwise than to persons in hotels and boarding-houses for their own use and that of their guests, or to casual visitors receiving liquor with the meal or meals supplied to them.

In Madras, a holder of a hotel license desirous of selling up and warehousing in his hotel a "bar" or "club" room, on payment of a monthly fee of Rs. 50 for a first class bar or Rs. 25 for a second class bar, he granted a separate license to be called a bar license. This will cover the sale of foreign liquors, except Coleman, Ochoa or Balaiah brandy, under the same conditions and to the same extent as the tavern license.

In Madras, special bar licenses will also be issued to the proprietors of buffets at the Central and Railway Railway stations and to the South Indian Automobile Association on payment of a fee of Rs. 50, Rs. 10 and Rs. 5-5-4 per annum, respectively. This will entitle them to sell to all comers.

Under these licensees liquor may be sold to passengers and persons served with refreshments in the rooms for consumption on the premises to any extent, provided that no more than one reported quart of spirits or two reported quarts of any other kind of liquor sold at a refreshment room may be sold at one time to any one passenger for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is exclusively confined with the supply of meals or of outside prepared and served in the refreshment-rooms.*—The annual fee will be Rs. 50 in Madras and Rs. 25 in the rest of the Presidency. It will be all known in official with the Collector to withdraw license of this description if it should appear that the sale of liquor in premises who have not partaken of meals in the refreshment-rooms is permitted to such an extent or so habitually that the refreshment-rooms may fairly be described as taverns. Sale of liquor for removal from the premises will not be allowed under these licenses. The premises to be used for the sale of liquor under these licenses must have been of the monthly taxable value of Rs. 50 in Madras and in Orissa and Rs. 25 in the Municipalities and of Rs. 25 in the rest of the Presidency.

No removal of liquor from the premises will be allowed under these licenses.

(I) *Special license* will also be granted by Collectors in consultation with the officers of the Salt, Alkali and Customs Departments when the circumstances are such as not to allow of the issue of any of the above descriptions on such terms and conditions and for such periods as they may so decide determine.
